“What is Rosary for the Bishop?”

Rosary for the Bishop is a campaign to support Catholic Bishops through prayer of the Rosary.

“So how does it work?”

You can join at rosaryforthebishop.org by providing your basic information (name, email, etc.). Then you pledge to pray a rosary for any bishop once per week or month.

“Why should I sign up online? Can't I pray for my bishop privately?”

Of course you can. But if you sign up online, you can choose to receive a reminder so you don't forget to pray. We can email you or send you a twitter message one, two, or three days in advance. Plus, we keep statistics online about who's praying, so others can see when someone is praying for a bishop.

“What about privacy?”

Don't worry. We never give your info out to anyone, except to the bishops you're praying for. And on the statistics pages of rosaryforthebishop.org, we never show any information that can be used to identify you.

“Great, so how do I join?”

Join at rosaryforthebishop.org/join. If you run into any problems, check out the **Help** or **Contact us** sections of the site. Oh, and you can get news and updates about Rosary for the Bishop on Facebook (facebook.com/RftBp) or Twitter (twitter.com/RftBp).
